ICLEI Resilient Cities Webinar Series 2015

Missed our webinar on resilience at COP21? View the live recording

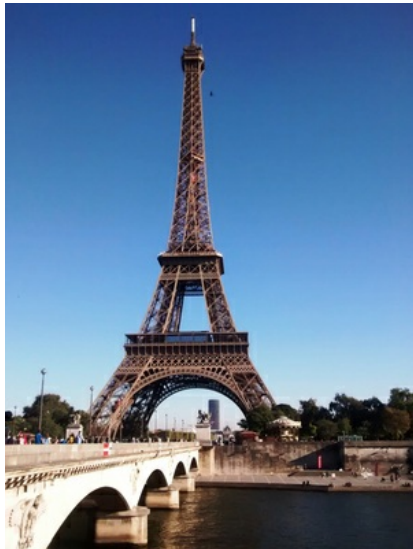

Our webinar on "*Urban resilience and adaptation at COP21*" was held on 23 November 2015. The webinar focused on the urban resilience agenda at the upcoming Climate Conference in Paris. Speakers from UN-Habitat, ICLEI, and the City of Dakar introduced the [Lima-Paris Action Agenda \(LPAA\)](#), the expected outcomes and commitments related to adaptation from COP21, and a tangible example of urban resilience from the city of Dakar.

If you missed the webinar or wish to revisit the key points mentioned, the live recording, full presentations and relevant links are [now available online](#).

In addition, you can watch ICLEI's webinar on the general [COP21 Agenda of Local and Subnational Governments](#).

Cities & Regions
Pavilion - TAP2015

Urban resilience highlights at COP21 in the Cities & Regions Pavilion - TAP2015

> Climate Generations Area (Green Zone,
open access) COP21, Paris-Le Bourget

December 5th (Action Day), 16:00 – 17:30:

Global Tools and Strategies for Building Resilience - A training and information sharing session for cities and local governments on resilience building tools and strategies.

Organized by the Medellín Collaboration for Urban Resilience

December 8th (Cities Day), 16:30 – 17:30:

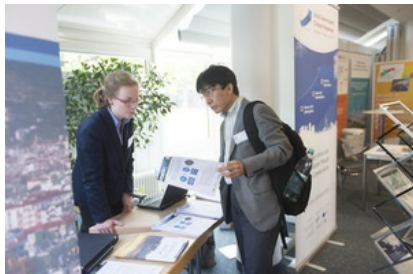

Launch of the Cities Alliance Joint Work Program on Resilient Cities: Accelerating local action for inclusive, resilient cities.

The session will also launch a new online platform for resilience tools and a Local Governments' Pocket Guide to Resilience.

Organized by Cities Alliance, in partnership with the Medellín Collaboration on Urban Resilience.

For more information on these and other urban resilience sessions at COP21, see the program on the [Cities and Regions website](#).

The official [UNFCCC website](#) contains information on relevant events, such as the “Lima-Paris Action Agenda (LPAA) Resilience Day” on December 2nd.

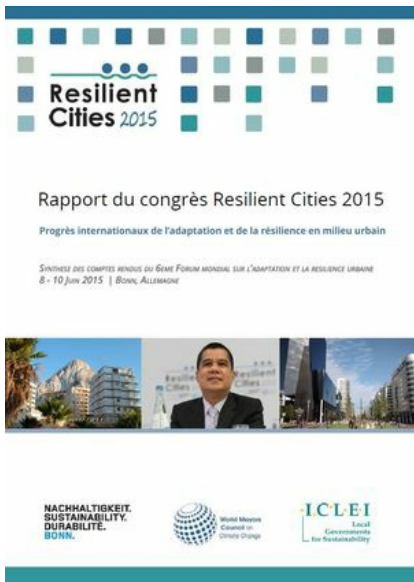

We invite you to partner with us for Resilient Cities 2016!

Showcase your work as a congress sponsor, exhibitor, featured city, or forum host! Check out our [Congress Brochure](#) for more information on partnership opportunities.

**Resilient Cities 2015 Report
now available in French**

The report reflects the outcomes of the Resilient Cities 2015 congress and captures broader developments in the field of urban resilience and climate change adaptation.

The congress and the French version of Resilient Cities 2015 Report were generously supported by the French Development Agency (AFD).
