

## Resilient Cities July Update

19 July 2013

### Resilient Cities 2013 congress and Resilient Urban Food Systems Forum reports have been published

A summary of Resilient Cities 2013 including key outcomes is now available in [the congress report](#). Download it today to catch up on sessions missed and get a detailed overview of the event as it happened.

Resilient Cities 2013 took place in Bonn, Germany from 31 May to 2 June and focused on a number of key themes such as social aspects of adaptation, resilient building and construction and ecosystem based adaptation, to name a few.

For some insight into the creation of resilient urban food systems, check out [the special report on the thematic forum](#) organized for the first time this year as part of the congress.

More information, photos, and blog articles are available on: [www.iclei.org/bonn2013](http://www.iclei.org/bonn2013).

### Webinar series to kick off in September

The second Resilient Cities Webinar Series is already in preparation. Five webinar sessions featuring key themes of the Resilient Cities 2013 congress presented by congress speakers will take place every two weeks from September to November. The dates, topics, and the names of the presenters will be announced shortly.

Check out [the recordings of last year's webinars](#) and keep an eye on [www.iclei.org/resilient-cities](http://www.iclei.org/resilient-cities) for the latest updates on the upcoming sessions.

### Featured events

The International Society of City and Regional Planners (ISOCARP) invites leading urban managers, academics and practitioners from around the world to explore the shape of things to come in urban development including migration as the new face of change, and adaptation and integration within the established urban fabric.
