### Resilient Cities at the Hungry City Forum

From 6-7 December Resilient Cities attended the IUFN HUNGRY CITY forum in Paris, hosted by Ile de France, where IUFN launched their research platform, aiming to connect actors working on sustainable city food. In addition to this a [joint statement](#) with ICLEI on the importance of strong urban governance on the city-region resilient food systems was released.

## ICLEI members to present sustainable infrastructure projects at the Global Energy Basel Summit

Resilient Cities partner Global Energy Basel invites to the 3<sup>rd</sup> Sustainable Infrastructure Investment Summit which will take place in Basel Switzerland from 22 to 23 January 2013. In parallel to a number of sessions and workshops, the event will host four Investment Forums which aim to bring investors and sustainable infrastructure projects together. Cases of ICLEI member cities in Asia, Africa and South America will be featured amongst a number of projects presented at the Forums.

Interested in learning more about sustainable infrastructure project management? Attend the [Capacity Building Day](#) organized on the day before the summit. Visit [www.globalenergybasel.com](http://www.globalenergybasel.com) to register and read more.

The Resilient Cities team wishes you happy holidays and a prosperous new year!
