Resilient Cities partner Global Energy Basel invites you to the Capacity Building Day

The Capacity Building Day will take place on **21 January 2013**, which precedes the Summit, and will focus on infrastructure projects and how to make them sustainable.

The Capacity Building Day aims to promote: an understanding of sustainable infrastructure and qualities that need to be present in such projects; and a good understanding of infrastructure financing. [Download](#) the brochure or visit Global Energy Basel [website](#).
